## How to use this card

- You should have received two copies of this card.
- Keep one copy of the card with you at all times.
- Give the other to a trusted friend in your own compound.
- If you suspect that you or a your friend are about to be deported telephone the numbers on the other side of this card at any time day or night.
- The person who answers the phone for NADA will ask you what has happened, and what you think will happen.
- They will listen to you and they will immediately contact other NADA personnel for help.
